RE: Postponement for No. 01-28TE (PUD Modification and Time Extension – 200 K Street, NE)

Dear Mrs. Mitten:

I am requesting that the October 3, 2005 Hearing for the above Case, No. 01-28TE (PUD Modification and Time Extension for 200 K Street, NE ) be postponed until November 2005. I am requesting this because I own a home 100 feet from this development, I currently do not support the last Extension of 2003 and hadn't had the opportunity to review these new revisions, changes and update to this Time Extension. Also, the two remaining home owners on this square have not had the opportunity to review this new information.

I hope your Board will approve this extension for the Community to allow us to review and make comments to the ANC 6C at their next meeting which is scheduled for the second Wednesday in October.

If you need to speak with me, I can be reached at (202) 669-2582.

Sincerely,

Mozella Boyd Johnson
Opponent
