Glenn E. Cook - Vice President

Glenn Cook is Vice President with The Traffic Group, Inc., responsible for conducting and overseeing the preparation of Traffic Impact Studies and the preparation of geometric design plans, parking lot layouts, highway lighting, traffic control and traffic signal plans. His projects included the $1 billion Port America project, the 6 million sq. ft. Presidential Corporate Centre project and the Bowie New Town Center project located in Prince George's County, Maryland. Mr. Cook has served as a Transportation Planner for the development of Master Plans for both private firms and government agencies.

Mr. Cook has over 30 years experience in the traffic engineering and transportation planning field both in the public sector with the Maryland State Highway Administration and in the private sector. Mr. Cook's experience in the public sector provides him with a wide range of knowledge to deal with the complex problems associated with receiving public agency approvals. Mr. Cook is qualified and has been accepted as an expert in the field of Traffic Engineering and Transportation Planning before numerous County and Municipal Boards in Maryland, Virginia and New Jersey.
