Environmental Impact Screening Form 02-00095

Dear Mr. Bean:

The Department of Consumer and Regulatory Affairs (DCRA) has carefully reviewed and considered the recommendations of the reviewing agencies, (Department of Health, the Office of Intermodal Planning and the Solid Waste Management Administration of the Department of Public Works, the D.C. Water and Sewer Authority, and the Office of Planning) related to the referenced Environmental Impact Screening Form.

Based on the agencies' recommendations, it has been determined that the proposed action is not likely to have substantial negative impact on the environment, and that submission of an Environmental Impact Statement (EIS) is not required.

If you have questions regarding this decision, please call Denzil Noble, Deputy Administrator, Building and Land Regulation Administration on (202) 442-4455.

Sincerely,

David A. Clark
Director
