NOTICE OF INTENT TO FILE A ZONING APPLICATION

Application to the District of Columbia Zoning Commission for a Planned Unit Development

A&R/THC, LLC, East Capitol Street Gateway LLC, and the D.C. Housing Authority (the "Development Team") hereby give notice of their intent to file an application for review and approval of a two-stage Planned Unit Development ("PUD") with the D.C. Zoning Commission under Chapter 24 of the D.C. Zoning Regulations. The PUD application will be filed with the Zoning Commission not less than ten (10) days from the date of this notice, which is given pursuant to Section 2406.7 of the Zoning Regulations.

The property that is the subject of this application is located in the East Capitol area of Northeast Washington. The project site is bisected by East Capitol Street and is bounded by 61st Street, N.E. and Southern Avenue, S.E., to the east; Central Avenue, S.E. to the south; 56th Place, S.E. and 57th Place, N.E. to the west; and Clay Street, N.E. and the Watts Branch stream valley to the north. The project site has a total land area of approximately 49.6 acres and is primarily improved with townhouses (East Capitol Dwellings), walk-up apartment buildings (East Capitol Dwellings), and high-rise apartment buildings (Capitol View Plaza and Capitol View Plaza II). The site includes all or significant parts of the land in the following squares: 5246, 5272, 5273, 5276, 5277, 5279, 5280, and 5281.

The residential part of the site north of East Capitol Street is currently zoned R-5-A. The 10.4 acre commercial site fronting on East Capitol Street is zoned C-2-A. The portion of the site south of East Capitol Street and between 56th Place, S.E. and 58th Street, S.E. is zoned R-2. The remainder of the site south of East Capitol Street is zoned R-5-D. The site proposed for the senior apartment building is unzoned due to prior federal government ownership and is proposed for R-5-A zoning and approval as a consolidated, or one-step PUD because it is proposed to be the first building constructed.

The Development Team plans to demolish East Capitol Dwellings, Capitol View Plaza, and Capitol View Plaza II and to redevelop the site with 515 dwelling units, a community building center, which will include a day care center, and a new shopping center. The approximate breakdown of dwelling units by type is as follows:

Senior Apartment Building	150 units
Low-Rise Apartment Building	120 units
Townhouses – some ownership, some rental	102 units

Semi-Detached Houses	92 units
Single-Family Detached Houses	15 units
Grand Houses - 9 buildings with 4 units each	36 units
Total	515 Dwelling Units

The overall goal is a stable, mixed-income residential neighborhood served by a 10.4-acre shopping center. The development is designed to revitalize the area and create an attractive gateway into the District of Columbia from Prince George's County, Maryland. A detailed relocation plan and related services plan has been prepared in conjunction with the existing residents, the D.C. Housing Authority and the U.S. Department of Housing and Urban Development.

If you desire further information about the proposed PUD project, please call John Kirkland at A&R Development Corporation, (202) 546-9033.
