Reference: Case #ZC 02-17 (Stonebridge Associates)

Dear Ms. Mitten:

Traffic has not been adequately addressed by Stonebridge Associates. The requirements of the day care center during pick-up and drop off periods is a particular concern. There are not *any* parking spaces to accommodate this traffic, just four spaces for employees. In addition, the small curved street linking Wisconsin to Western Avenue is very small and heavily traveled. The claim that traffic will be enhanced by the apartments is fantastic. This aspect needs further study.

Sincerely yours,

Janna M. Laudato
