FROM: Alberto P. Bastida, AICP
Secretary to the Zoning Commission

TO: The Record
Z.C. Case No. 02-17 (Western Avenue)

SUBJECT: Confidential Information

Exhibits 16 and 27 contain confidential information which Mrs. Rebold submitted into the record without realizing the transgression of the confidentiality agreement to which she was a party.

Shortly afterward, she realized the transgression she had committed and wanted to rectify it. She requested my help. On Thursday, July 25, 2002, I contacted the applicant's legal representative, Mr. Whayne Quin, who consented to the removal of such exhibits from the record.

On Thursday, July 25, 2002, Zoning Commissioners Mitten, Hood, and Hannaham concurred with Mr. Quin and authorized me to remove from the Commission's record exhibits 16 and 27.
