Mr. Alberto Bastida, Secretary
Zoning Commission
Office of Zoning
441 Fourth Street NW
Washington, DC 20001

Dear Mr. Bastida:

As longtime residents (36 years) of the Forest Hills region of Washington, we are interested in and have considered the current Tree and Slope Overlay issue being discussed in the area. We have read materials from both sides and attended the ANC meeting where both sides presented their views.

As a result of our activity, we support the Forest Hills Tree and Slope Overlay as approved by the area ANC on June 17, 2002. We respectfully urge the Commission to approve it.

Thank you very much for your and your staff's consideration of our view.

Sincerely yours,

Vera + Arnold Mayer
