Dear Mr. Bastida:

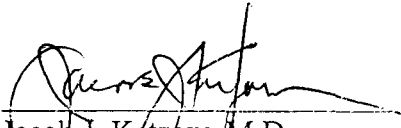

Re: Case No. 02-19 (Text Amendment – Forest Hills Tree and Slope Overlay District)

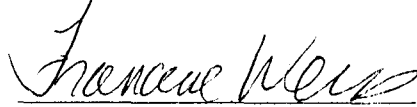

As residents of the area to which the above case number applies, we wish to register our strong support for the proposed tree and slope overlay. Our house, which we have occupied since 1988, is on a lot of approximately one-quarter acre that lies on the south side of Upton Street between Linnean Avenue on the East and 29th Street on the West.

We have carefully reviewed the proposal now under consideration and we agree that the protections it offers are necessary and desirable for the preservation of the designated neighborhoods.

We therefore urge the Zoning Commission to approve the above text amendment when it takes up the matter on June 27. Please include this letter in the official public record of this case.

Very truly yours,

Jacob J. Katzow, M.D.
