Re: Case No. 02-19 [Text Amendment - Forest Hills Tree & Slope Protection Overlay]

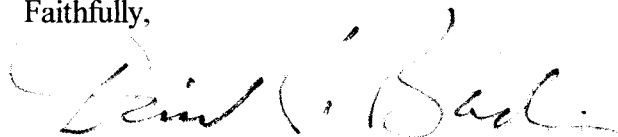

Dear Mr. Bastida:

The map accompanying my testimony on June 27, 2002 (Exhibit 135), failed to mark one of the R-5-D portions of the pending Overlay district (part of Square 2033, between the FED area in the northwest, which is a portion of Fort Circle Park, and the R-1-A portion comprising the bulk of that Square). An appropriate revision of Exhibit 135 is provided herewith. The map coding shows R-5-D, R-2 and C-3-A areas as follows:

-  R-5-D areas. In Squares 2033 (a portion of Lot 16); 2049 (possibly a portion of the Van Ness East condominium, as well as the R-2 portion); 2231 (Lot 6); and 2232 (Lot 817).
-  R-2 areas. In Squares 2032 (Lots 1 - 11); and 2049 (a portion of the Van Ness East condominium and, possibly, an adjacent strip of Lot 5, the Howard University property).
-  C-3-A areas. In Square 2046 (fractions of Lots 1, 800, 801, and 802 adjacent to Soapstone Valley Park).

The R-1-B areas consist of all of Square 2031 and portions of Squares 2030 and 2032.

Faithfully,

David J. Bardin, Commissioner
