Re: Forest Hills Tree & Slope Overlay District
Case No. 02-19

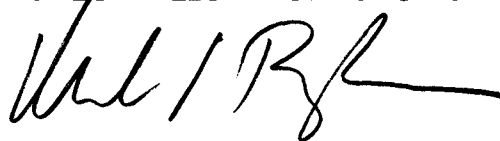

Dear Mr. Bastida,

This is to confirm that the Forest Hills Neighbors for Responsible Preservation is asking the following of the Zoning Commission:

1. That the Commission cancel the current set-down of the TSO. There is no existing emergency that warrants the set-down.
2. That the Commission cancel the hearing of September 5.
3. That the Commission order the proponents and opponents to work together under the auspices of the Office of Planning to craft a regulation that is specific to the Forest Hills neighborhood and has widespread community support.
4. That the Commission dismiss the current petition and await a more thoroughly considered proposal from the community.

Thank you for your consideration.

Sincerely,
FOREST HILLS NEIGHBORS FOR RESPONSIBLE PRESERVATION

Mark L. Baughman
