Re: Case No. 02-19, Text Amendment—Forest Hills Tree and Slope Overlay District

Dear Mr. Bastida:

We support the proposed Tree and Slope Overlay for Forest Hills. When we moved to Forest Hills nearly 14 years ago, the beautiful tree-lined streets of this neighborhood attracted us. Those trees give our neighborhood a special character, attract new residents, and add significant value to our homes.

The Tree and Slope Overlay will guarantee the beauty of our neighborhood and property values of our homes. We are certain that the Zoning Commission will administer the Overlay regulations so that no hardships will result. Thus, we strongly urge that the Commission adopt it. Thank you.

Sincerely,

Bob DiBianco
