Re: Case No. 02-19 (Text Amendment-
Forest Hills Tree and Slope Overlay
District)

Dear Mr Bastida,

As homeowners residing within the Forest Hills overlay, we are writing to express our strong support for the passage of the proposed overlay. We moved into this area because of it's parklike character, which is a rare thing to find in D.C., and we feel sure that without this measure, developers are certain to spoil it, and in so doing to spoil also the natural formation of stream beds and the growth of trees in adjacent sections of national parkland.

We urge the Zoning Commission to adopt the measure at the earliest opportunity, in order to prevent adverse development further to what has already occurred in the recent past.

Yours sincerely,

Gilbert L. Roth Ann Roth
