Re: Z.C. Case No. 02-19 Forest Hills Tree and Slope Overlay

Dear Ms. Schellin:

It is my understanding that at the public meeting on March 14, 2005 the Zoning Commission voted unanimously to publish for comment a proposed revision to the Forest Hills Tree and Slope Overlay District.

This so called "overlay light" would divide the current overlay district into two areas. The area to the east would remain under sections 1516 through 1520 of the current regulations and the area to the west would be subject only to sections 1518.1, 1518.2, and 1519.2.

To the best of my knowledge the proposed revision has not been published. I would appreciate knowing when the revision will be published.

Very sincerely yours,

Robert V. Maudlin
