Mr. Andrew Altman, Director
Office of Planning
801 North Capitol Street, NE, Suite 4000
Washington, DC 20002

Dear Mr. Altman:

I would like to apprise you of the lack of progress that ANC-5A has been able to accomplish with Catholic University of America to date. The University was invited to attend 5A-06 Single Member District meeting on October 3, 2002, but declined. Consequently, Chairperson, Commissioner Norma N. Broadnax sent the enclosed correspondence on December 12, 2002. To date, the university has not made any attempts to work with ANC-5A to address the effect of their operations on our community. In fact, the University's correspondence seems to implicitly dictate to ANC-5A how we should handle their plan.

On November 25, 2002, Mr. Carl Petchick left a message my home answering machine acknowledging and declining an invitation to attend a community meeting and expressing his intent to work with the ANC body of the whole.

Respectfully,

Mary Baird Currie
Commissioner ANC 5A-06

Re: the Catholic University of American Campus Master Plan

Dear Mr. Petchik:

This letter is in response to your offer to have the university's administrators and consultants do a presentation for ANC 5A Commissioners on the above-referenced plan.

Upon due consideration, in keeping with current practice of this ANC, you are advised that this matter should be brought to the affected communities represented by Commissioners Mary Baird-Currie and Darcy Flynn. We hope that they will be able to arrange an early meeting.

Also at this time, I wish to acknowledge receipt of "Campus Plan 2002" Draft, February 6, 2002, which was delivered to the wrong address and we only learned about that and other mail on December 3, 2002.

Sincerely,

Norma M. Broadnax
