RE: Z.C. Case No. 02-22 (Square 754, Lots 103-106 & 109)

Dear Mr. Bastida:

Please be advised that the petitioners, in lieu of filing a Pre-Hearing Statement, wish to use the previous filings, including the Statement in Support of the Petition, revised and submitted on June 12, 2002, as the Pre-hearing Statement in the above-referenced case.

In view of the foregoing, the petitioners wish to have the petition scheduled for public hearing at the earliest practical date. Additionally, the petitioners request that the case be considered on an expedited basis in accordance with DCMR 3011.7(c), as the petition has substantial merit in the public interest; the issues in the case are relatively straightforward, and few, if any, modifications to the proposal are anticipated; and, no opposition has yet appeared, therefore the concerns at this preliminary stage appear to be capable of resolution in an expedited processing.

If you have any questions, please contact me at (202) 548-8177.

Sincerely,

Gerald N. Forsburg
Project Consultant
