RE: Hearing Dates for Z.C. Case No. 02-22 (Square 754, Lots 103-106 & 109)

Dear Jerrily:

The above-referenced case was set down for public hearing at the Commission's regular monthly meeting of July 8, 2002.

DCMR Title 11 §3022.7(b) expressly states that the Commission shall, at the same time that the matter is set for public hearing, schedule the date or dates for the public hearing.

We also received a letter requesting supplemental filings prior to any hearing dates being scheduled. Our response should be in the case file.

My clients and I have been patiently awaiting the date for the hearings and no date has been set at this point.

In addition, the petitioners of this case have requested that the case be considered on an expedited basis in accordance with DCMR 3011.7(c), as the petition has substantial merit in the public interest; the issues in the case are relatively straightforward, and few, if any, modifications to the proposal are anticipated; and, no opposition has yet appeared, therefore the concerns at this preliminary stage appear to be capable of resolution in an expedited processing.

Please inform us if there is anything else we are to do in order to remedy this matter.

Sincerely,

Gerald N. Forsburg

RE: Z.C. Case No. 02-22 (Square 754, Lots 103-106 & 109)

Dear Mr. Bastida:

Please be advised that the petitioners, in lieu of filing a Pre-Hearing Statement, wish to use the previous filings, including the Statement in Support of the Petition, revised and submitted on June 12, 2002, as the Pre-hearing Statement in the above-referenced case.

In view of the foregoing, the petitioners wish to have the petition scheduled for public hearing at the earliest practical date. Additionally, the petitioners request that the case be considered on an expedited basis in accordance with DCMR 3011.7(c), as the petition has substantial merit in the public interest; the issues in the case are relatively straightforward, and few, if any, modifications to the proposal are anticipated; and, no opposition has yet appeared, therefore the concerns at this preliminary stage appear to be capable of resolution in an expedited processing.

If you have any questions, please contact me at (202) 548-8177.

Sincerely,

Gerald N. Forsburg
