FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

Case No. 02-24/98-14C (PUD Modification @ 1000-1010 16th Street, N.W. (Solar Building) – Square 184, Lot 74)

THIS CASE IS OF INTEREST TO ANC 2B

On May 30, 2002, the Office of Zoning received a request from JBG/6006 Limited Partnership (JBG), requesting permission to further modify a previously approved Planned Unit Development (PUD), Order No. 906, at 1000-1010 16th Street, N.W. (Square 184, Lot 74).

The subject property consists of 20,111 square feet, and is improved with two buildings (1) the Solar Building, which is an 8-story commercial office building located at 1000 16th Street, N.W.; and (2) the "Taca Building", a smaller 6-story building located at 1010 16th Street, N.W. There is presently no parking or loading at the property.

The proposed modification is requested to permit JBG (1) to relocate the parking garage entrance, (2) to relocate the front entrance, and (3) for refinements to Order No. 906 that are related to the proposed modifications.

On November 24, 2000, Zoning Commission Application 98-14C was approved, establishing a PUD and related map amendment for property located at 1000-1010 16th Street, N.W. (Square 184, Lot 74). Order No. 906 authorized, among other things, the development of a commercial office development consisting of approximately 200,247 square feet of gross floor area and a height not to exceed 125.5 feet (eight floor slab that is limited to the height of the Solar Building – 90 feet – with an additional three floors limited to a total height of 125.5 feet) in the C-4 portion of the property. The Taca Building will be demolished to allow for the expansion of the Solar Building footprint.

This public hearing will be conducted in accordance with the provisions of § 3022 (Contested Case Hearings), District of Columbia Municipal Regulations (DCMR) Title 11, Zoning.

Interested persons or representatives of organizations will be heard at the public hearing. **Any person who desires to participate as a party in this case must so request, and must comply with the provisions of 11 DCMR § 3022.3**. A party has the right to cross-examine witnesses, to submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Rules. Except for the applicant and the ANC, to participate as a party in a proceeding before the Commission, **any affected person shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, the following information**:

(a) The person's name and address;

(4) The environmental, economic, social, or other impacts likely to affect the person and/or the person's property, if the action requested of the Commission is approved or denied; and

(5) An explanation of how the person's interests as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The Commission shall determine who will be recognized as a party. In so determining, the Commission shall consider whether the provisions of § 3022.3 have been complied with and whether the specific information presented qualifies the person as a party.

Any person wishing to be considered a party should clearly state the request, and should also provide a daytime telephone number should it be necessary for the Office of Zoning to obtain additional information or clarification prior to the hearing. Written statements, in lieu of personal appearances or oral presentations, may be submitted for inclusion in the record.

The Commission intends to adhere to the time limits as strictly as possible, in order to hear the case in a reasonable period of time. The Commission reserves the right to change the time limits for presentations if necessary and notes that no time shall be ceded. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points.
