RE: **Case #02-25 - 1615 New Hampshire Ave., NW - University of Notre Dame**

Dear Ms. Mitten:

On August 14, 2002, ANC 2B considered Zoning Commission Case #02-25, an application by Nauru Phosphate Royalties on behalf on the University of Notre Dame for a special exception to establish a university at premises 1615 New Hampshire Ave., NW, in an DC/SP-1 District. With four of six commissioners in attendance, a quorum at a duly called public meeting, the following motion was approved by a vote of two in favor and one abstention:

> ANC 2B supports Zoning Commission Case #02-25, an application by Nauru Phosphate Royalties on behalf on the University of Notre Dame for a special exception to establish a university at premises 1615 New Hampshire Ave., NW, in an DC/SP-1 District.

As part of the applicant's presentation, the Commission was informed that the University of Notre Dame had a policy of prohibiting students from bringing vehicles (with specific special exceptions when there is a unique and appropriate need) to the Washington program. As the impact of parking was noted during discussion, ANC 2B considered this policy in lending its support to the application.

This premises is in the Single Member District of Commissioner David Jolliffe. Please feel free to contact Commissioner Jolliffe at David.Jolliffe@DupontCircleANC.net or on (202) 518-7844 for additional information or assistance. Thank you for your attention to this matter.

ON BEHALF OF THE COMMISSION:

Very truly yours,

Vince Micone
Chairperson
