Ms. Dale,

Actually, my letter was correct. As Chair, I vote only on issues in my district or in the case of ties. I rarely vote in other matters (and didn't in this case). The correct vote was stated in the letter. David, please let me know if your recollection of the vote differs from that of the record.

Sincerely,
Vince Micone
Chair, ANC 2B

David:

We recently received a copy of the ANC resolution with regard to the above noted property. We noticed a slight discrepancy between the written resolution and the events of the ANC meeting. The letter states that the motion was approved by a vote of two in favor and one abstention, with four commissioners voting. We recall that the vote was actually three in favor and one abstention. If possible, we would appreciate it if you would issue a revised letter to the Zoning Commission prior to the hearing on September 12th.

Thank you for your attention to this matter. Please feel free to call me at 202-663-8428.

Sincerely,

Ashleigh Horne
