Re: Zoning Commission Case No. 02-26

Dear Ms. Kress:

I am a resident of Foggy Bottom and write you in support of the George Washington University's application to broaden the usage and increase the hours of operation of its Health and Wellness Center, located at the corner of 23rd and G Streets.

The proposal would permit neighborhood residents like myself to use a state-of-the-art health facility, together with members of the University community.

Thank you for your and the Board members' consideration.

Sincerely yours,

District of Columbia
