Office of Zoning

441 Fourth Street 2nd Floor South

Washington, D.C.

Sirs:

Many residents of Foggy Bottom support strongly the George WAshington University application to broaden useage of the Helath and Wellness Center.

I feel this would be of great benefit to many residents for whom availability of health care, at manageable cost, is increasingly important.

You may be assured that such additional assistance would especially appreciated.

Sincerely,

Don Tobey
