Re: ZC Case No. 02-26—The George Washington University (GWU) for Further Processing of a Special Exception for the Lerner Health & Wellness Center (Square 42, Lot 847) ANC-2A's Response to Applicant's Filing of March 11, 2004

Dear Chairperson Mitten:

Attached is an addendum to ANC-2A's May 4th letter's first attachment in response to the applicant's filing of March 11, 2004, in response to the Zoning Commission's request concerning compliance with the Campus Plan, "George Washington University Campus Expansion Beyond Approved Campus Plan Boundary." (Mentioned on page 2, paragraph 4 of ANC-2A's letter dated May 4, 2004.)

Now is the time to reexamine locations being used by GWU outside of the Campus Boundary that are without the approval of the Zoning Commission, as shown on the GWU Campus Boundary Maps that are attached to this letter and to ANC-2A's letter of May 4th. 11 DCMR 3035.1 prohibits "the interim use of land or improved property within a reasonable distance of a campus" unless approved by the ZC or the BZA.

Sincerely,

Dorothy Miller

Dorothy Miller, Chair
