Attn: Alberto Bastida, Secretary to the Zoning Commission

Re: Metropolitan Police Department Text Amendment Application

Dear Members of the Commission:

Enclosed please find a completed application filed on behalf of the Metropolitan Police Department (the "Department") to amend provisions in the text of Title 11 of the District of Columbia Municipal Regulations (the "Zoning Regulations") so as to accommodate the various police department facilities in the District of Columbia. The application includes:

(1) The original and twenty (20) copies of Zoning Commission Form No. 4; and

(2) Twenty copies of the Applicant's Statement in Support of the Application.

As a governmental agency, the Department is exempt under Section 3043.1 of the Regulations from the requirement to pay a filing fee. Therefore, such a fee is not included with this application.

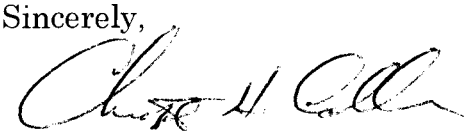

We believe that the application is complete and acceptable for filing, and we request that this matter be scheduled at the earliest possible date in order to set the matter for public hearing.
