FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

Case No. 02-29 (Zoning Map Amendment – Square 1448N, Lot 803)

THIS CASE IS OF INTEREST TO ANC 3D

On August 2, 2002, the Office of Zoning received an application from Lucy Webb Hayes National Training School for Deaconesses and Missionaries d/b/a Sibley Memorial Hospital, owner (the "applicant") for a map amendment. This matter was referred to the Office of Planning (OP) on August 14, 2002; OP provided its report on October 18, 2002; the case was set down for hearing on October 28, 2002; and the applicant provided its additional filing on November 29, 2002.

The property that is the subject of this application consists of Lot 803 in Square 1448N. The property is currently unzoned.

The applicant seeks an amendment to the Zoning Map to zone the site to the R-5-A Zone District.

The R-5-A Zone District permits matter-of-right development of single-family residential uses for detached and semi-detached dwellings, and with the approval of the Board of Zoning Adjustment, new residential development of low density residential uses including row houses, flats, and apartments to a maximum lot occupancy of 40%, 60% for churches and public schools; a maximum floor area ratio (FAR) of 0.9, and a maximum height of three (3) stories/forty (40) feet. Conversion of existing buildings to Flat or Apartment use is permitted as a matter of right provided all other provisions of the zoning regulations are complied with.

Proposed amendments to the Zoning Regulations and Map of the District of Columbia are authorized pursuant to the Zoning Act of June 20, 1938, (52 Stat. 797), as amended, D.C. Official Code § 6-641.01 (2001), *et seq.*

This public hearing will be conducted in accordance with the provisions of § 3022 (Contested Case Hearings), District of Columbia Municipal Regulations (DCMR) Title 11, Zoning.

Interested persons or representatives of organizations will be heard at the public hearing. **Any person who desires to participate as a party in this case must so request, and must comply with the provisions of 11 DCMR 3022.3**. A party has the right to cross-examine witnesses, to submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Rules. Except for the applicant and the ANC, to participate as a party in a proceeding before the Commission, **any affected person shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**

(a) The person's name and address;

(b) A request to appear and participate as a party;

(c) Whether the person will appear as a proponent or opponent of the application;

(d) Whether the person will appear through legal counsel, and if so, the name and address of legal counsel;

(e) A list of witnesses who will testify on the person's behalf; and

(f) A written statement setting forth why the person should be granted party status, including reference to the following:

(1) The property owned or occupied by such person, or in which the person has an interest, that will be affected by the action requested of the Commission;

(2) The legal interest such person has in such property, such as owner, tenant, trustee, or mortgagee;

(3) The distance between the person's property and the property that is the subject of the application before the Commission;

(4) The environmental, economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied;

(5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action that those of other persons in the general public.

The Commission shall determine who will be recognized as a party. In so determining, the Commission shall consider whether the provisions of § 3022.3 have been complied with and whether the specific information presented qualifies the person as a party. The Commission shall grant party status only if the person requesting party status has clearly demonstrated that the person's interests would likely be more significant, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

Any person wishing to be considered a party should clearly state the request, and should also provide a daytime telephone number should it be necessary for the Office of Zoning to obtain additional information or clarification prior to the hearing. Written statements, in lieu of personal appearances or oral presentations, may be submitted for inclusions in the record.

The Zoning Commission hereby gives notice of the following procedures applicable to this case. Any person requesting to appear as a party to this application shall submit the following additional information:

1. A summary of the testimony of each witness.

2. An indication of which witnesses will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes of qualifications of the proposed experts.

3. The total amount of time that will be required to present the case.

The information cited above shall also be submitted by the applicant. To the extent that the information is not contained in the applicant's prehearing submission required by 11 DCMR § 3013.1, the information shall be filed no later than fourteen (14) days before the date of the hearing.

If an affected Advisory Neighborhood Commission (ANC), pursuant to DCMR § 3012.5, intends to participate at the hearing, the ANC shall also submit the information cited above relating to the hearing procedures. However, the written report of the ANC shall be filed no later than seven (7) days before the date of the hearing.

The Zoning Commission gives further notice that it intends to establish time limits for oral presentations of both parties and persons. Accordingly, the following time limits shall apply:

1.	Applicant	60 minutes
2.	Other Parties	15 minutes
3.	Organizations	5 minutes
4.	Individuals	3 minutes

The Commission intends to adhere to the time limits as strictly as possible, in order to hear the case in a reasonable period of time. The Commission reserves the right to change the time limits for presentations if necessary and notes that no time shall be ceded. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points.

Information should be forwarded to the Director, Office of Zoning, Suite 210, 441 4th Street, N.W., Washington, D.C. 20001. Please include the number of this particular case and your daytime telephone number. **FOR FURTHER INFORMATION, YOU MAY CONTACT THE OFFICE OF ZONING AT (202) 727-6311.**
