Re: Application of Sibley Hospital
Application No. 02~~-972~~

Dear Ms. Mitten:

The Applicant, via the below signed counsel, hereby requests that the Zoning Commission waive its procedures pursuant to DCMR Title 11 §3014.3. Section 3014.3 requires that the Applicant give notice of the hearing to amend the Zoning Map by posting at the "street frontage of each square affected by the rezoning proposal with notice of public hearing. This information shall be posted at least forty (40) days in advance of the hearing." Through inadvertence, the posting was not done until February 13th, or thirty (30) days prior to the hearing. All other methods of notice, as set forth in §3014.1, are in compliance.

The Applicant is unaware of any opposition to this Application and the requested waiver would in no way prejudice anyone's rights in this hearing.

Sincerely,

Craig Ellis
