Re: Case No. 02-30

Dear Commissioners:

As a long time resident of Georgetown, a canoer, and a frequent user of the canal and bike path, I write in support of the proposed Georgetown University Boathouse. I have seen drawing of the proposed boat house, and I think it fits in very well – both from the back as well as the front. I also enjoy seeing the Georgetown boats on the river. New boathouses are needed, and Georgetown's plan is an excellent one.

Georgetown University has been a good neighbor and I am confident it will be a good steward of the river and the adjoining land. I urge you to provide whatever zoning variances are needed.

Sincerely,

Garret G. Rasmussen
