Dear Ms. Mitten:

As homeowners on the Georgetown waterfront we are writing to let you know how pleased we are with the plan for the proposed Georgetown University Boathouse.

Rowing is a beautiful sport that we enjoy watching on the Potomac River and we welcome this new athletic facility, which will promote non-motorized boating on this river. We believe this boathouse will be an added draw to the Potomac, increasing the property value of our home. We have seen drawings of the structure and find it very esthetically pleasing and look forward to its addition to the waterfront skyline.

Thank you,

Sarah Johnson and Chris Brown
