Dear Carol Mitten

Subject Core 02-30

I was born in Washington, D.C. and spent my first 69 80 years years there.

I am also a member of the washingto Canoe Club and have been a member for 60 yrs.

I have spent some very enjoyable hours at the club and in that area Mayor Williams of DC has also spent some time in that area according to a newspaper article

The purpose of this letter is to protest the size of the purposed Georgetown Rowing House. I think it is too large.

Sincerely

James A Livesay Jr
