REFERENCE: CASES 02-30 and 02-31

Dear Ms. Mitten:

I was disappointed to discover that referenced proposal for re-zoning is under consideration. Apart from the grotesque wound this violation of the Comprehensive Plan will inflict on tranquil neighboring areas which I and my fellow outdoorsmen enjoy, we are strongly concerned about the impact on the local environmental situation, which is already in a delicate balance. Further depredation of these dwindling resources should not be allowed.

Please list me as a party strongly opposed to the proposal. I am looking forward to your unfavorable disposition of its consideration.

Sincerely,

Roger R Volk
