REFERENCE: CASES 02-30 and 02-31

Dear Ms. Mitten:

I am shocked to discover that referenced proposal for rezoning is under serious consideration. Apart from the grotesque wound this violation of the Comprehensive Plan will inflict on tranquil neighboring areas which my fellow outdoorsmen and I enjoy, we are strongly concerned about the impact on local environmental situation, which is already in a delicate balance. Further depredation of these dwindling resources should not be tolerated.

Please list me as a party strongly opposed to the proposal. I will look forward to your unfavorable disposition of its consideration.

Sincerely,

Dr. James M. Purtilo
