RALPH ELLIS BURR

May 1, 2003

Dear Ms. Mitten —

I recently learned that Georgetown University plans to build a very large boat house on the river bank a bit north of Key Bridge, and I understand it will cause serious disruption of the Capital Crescent Trail.

As one of many people who

hike + like the trail, I request that this planned development on our parkland be denied. I live in Foggy Bottom, and the trail is the pleasantest natural area we have near by.

Thank you —

Sincerely,

Ralph Burr
