Dear Director Mitten:

I am strongly opposed to the construction project, which will result from the referenced rezoning proposal. This zoning change should not be permitted. The change will violate the Comprehensive Plan and the construction will result in an eyesore inflicted on the local environment. The public complaint will be loud and long against the proposed change, I'm sure. Please do not allow the zoning change under consideration. Thank you for your help in this matter.

Sincerely,

James L. Norris
