RE: CASES 02-30 and 02-31

Dear Ms. Mitten,

I am dismayed to learn that the referenced rezoning cases are under serious consideration. A favorable ruling on these cases would prove a travesty under the Comprehensive Plan. Further, implementation of the proposal will disturb neighboring areas that my fellow outdoors enthusiasts and I enjoy. We are also strongly concerned about the impact on the local ecosystem, which is already in a precarious balance.

Further depredation of these dwindling environmental resources should not be tolerated.

Please list me as a party strongly opposed to the proposal. I will look forward to your unfavorable disposition of its consideration.

Sincerely

Steve Rosenthal
