Re: Zoning Commission Case No. 02-32, Georgetown University Performing Arts Center

Dear Ms. Mitten:

The Burleith Citizens Association was a party to the Georgetown University campus plan proceedings before the Board of Zoning Adjustment. It is our position that we should retain party status for any consideration by the Zoning Commission of further development under the BZA-approved campus plan. We intend to testify at the Zoning Commission hearing on December 5, 2002 on the above-referenced application.

Furthermore, we believe that such continuation of party status is appropriate for all parties to the original plan, in particular the other community organizations: The Citizens Association of Georgetown, Cloisters of Georgetown Homeowners Association, Hillandale Homeowners Association, Georgetown Residents Alliance and Foxhall Community Citizens Association. These other parties may or may not wish to exercise their rights as parties at any particular hearing.

Thank you for your consideration,

Sincerely
Ed Solomon, President
