RE: PUD Zoning Change Hearing for Waterfront Town Center; Case Number 02-38

To the Director, Office of Zoning:

My informed opinion is that the Application for a partial rezoning and the first stage of a two stage PUD for renovation and redevelopment of the Waterside Mall project at 400 M Street, SW, **should be accepted**.

My opinion is based on my attendance at several SWNA meetings where the rezoning was discussed, attendance at a meeting with the developers and a thorough reading of the Application. Please count this communication as a **pro vote** for the Application by a concerned resident of the SW community.

My daytime phone number is (202) 488-5510.

Yours truly,

Marilyn L. Charles
