Re: Case 02-38 Waterside Mall PUD

Dear Ms. Mitten:

I am writing on behalf of the Commissioners of ANC 6D to formally request that representatives of the D.C. Office of Planning and Kaempfer Construction be available at the continuation of the hearing on the Waterside Mall PUD on March 31st, both to hear our formal testimony and answer any additional questions we may have as a result of not receiving a copy of documents submitted into the official record until after the oral testimony was presented at the hearing. Because we did not receive the documents in a timely manner we were at a serious disadvantage in raising any questions based on their contents.

We believe that it is important that the decision makers on the Waterside project are fully aware of the ramifications of their plan for the residents of ANC 6D, and appreciate the attention you have given to our concerns.

If you have any questions, please feel free to call our office at 554-1975, and I will get back to you as soon as possible.

Sincerely,

Ahmed Assalaam
