As requested at the ZC regular public meeting on Oct. 30, 2017 at 441 4th St. NW, Suite 220S, Waterfront Tower Condominium is providing the attached statement in order to change our status for the Nov. 30, 2017 hearing from “provisional party status” to “party status” as authorized under 2404.1F.

We resolve that Waterfront Tower Condominium Board has authorized Hara Ann Bouganim, Condo Association Vice President, to represent us in our "party status" in opposition in OZ case #02-38I.

(All board members in favor)
