I live at 1257 4th St. and I have two sons ages 3 and 5 years. We cross M St. and 4th St. SW on foot every day on our way to and from the local elementary school (and multiple times on weekends). I am very concerned about traffic at this intersection and the increased traffic that all of the development in our neighborhood has attracted.

DDOT needs to complete a Safety Plan for the intersection of Fourth and M, SW as soon as possible. You must not wait until Forest City is granted the right to build on the two open lots at Waterfront Station.

I'm writing to ask that you withhold a final determination on this PUD until the promised DDOT Safety Study is completed.

Thank you,
