Dear ANC 6D Commissioners,

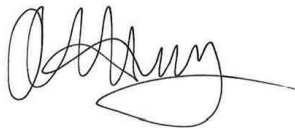

The Amidon-Bowen PTA is in support of the Waterfront Station II project moving forward as proposed by PN Hoffman and partners and agreed to by ANC 6D.

The Amidon-Bowen PTA agrees to the terms outlined in the proffers and conditions. The Amidon-Bowen PTA will not oppose the project moving forward or the certificate of occupancy.

The Amidon-Bowen PTA appreciates the direct, one time contribution to the Amidon-Bowen PTA from PN Hoffman and partners. This contribution will be used for capital improvements, programming and technology. Furthermore, this contribution will help strengthen the only remaining elementary school in Southwest.

Thank you to Commissioner Dale, the rest of the ANC 6D Commissioners, and PN Hoffman and partners for supporting our school community and Southwest.

Sincerely,

Allison Harvey
