Subject: Z.C. Results: 02-39 (Earthclot)

The hearing for the above-referenced case was concluded tonight with the Commission taking proposed action to approve by a vote of 5-0-0 (Hood, Hannaham, Mitten, Parsons, and May).

The applicant did not post the property; however, the Commission felt enough evidence was presented to show community notification. In addition, the applicant is to post the property (starting tomorrow) for 30 days with signs stating that proposed action was taken tonight and comments can be submitted for consideration prior to the Commission taking final action.
