Ms. Carol Mitten, Chairperson
Board of Zoning Adjustment
441 Judiciary Square, Suite 220
Washington, D.C. 20001

Dear Ms. Mitten, Carol

The ZC Case #02-42 – Application for an amendment to W-O Waterfront Open Space Zoning District has caused great confusion in the SW community on what affect it will have on the businesses at the Waterfront and the zoning for the planned development of NCRC.

The date of the memo to the businesses and Waterfront Associations was December 12th and a lot of the businesses and community organizations did not receive it until December 20th with a closing date for comments of December 31st. I am asking the Commission to postpone any action on the case scheduled for January 23rd until February or March to allow time for a community meeting to be held.

I would appreciate hearing from you as soon as possible.

Sincerely,

Sharon
