Madam Chair:

Re: Zoning Commission Case 02-42
Waterfront Open Space

On behalf of the Citizens Association of Georgetown, I am writing to request that the record in this case remain open for a fairly detailed response from CAG.

We have only recently received the Office of Planning proposal for changes in regulations, and we believe it will be necessary to offer comment on several specific points.

Our Board will not be able to act in time to authorize our submission at tomorrow's public hearing. It is my belief the Committee of 100 will be similarly affected.

We appreciate your consideration of our request. We should be able to revise our testimony and have our Board act within ten days.

Sincerely,

Barbara Zartman, Chair
Historic Preservation, Planning,
and Zoning Committee
