To Whom It May Concern: Jerrily R. Kress

As chairperson of ANC 4D, I am pleased to notify you that ANC 4D agrees to lend its support to Washington Hospital Center's PUD that is now under the Zoning Commission's consideration. We applaud the Hospital Center's efforts to improve its facility.

Washington Hospital Center's free community programs contribute to the development of our community. We support the continuation of the Hospital Center's free programs as we support the Hospital Center's efforts. Washington Hospital Center's community aerobics class has improved the quality of life in our community. The youth programs have provided personal enrichment and career development for our young people. We expect that Washington Hospital Center will continue these programs as well as provide new free programs that also have the goal of promoting healthier lifestyles, developing our youth, and encouraging our seniors. We offer our support to Washington Hospital Center as we look forward to a continuation of current programs and the addition of new ones.

We expect that the Zoning Commission will give great weight to ANC 4D's support as it reviews this PUD. Thank you.

Sincerely,

Tina Thompson
