ZONING COMMISSION NOTICE OF FILING
Case No. 02-44
(Text Amendment for Retail Arcades)
November 19, 2002

THIS CASE IS OF INTEREST TO ALL ADVISORY NEIGHBORHOOD COMMISSIONS

On October 21, 2002, the Office of Zoning received a petition from the District of Columbia Building Industry Association requesting a text amendment to Title 11 of the District of Columbia Municipal Regulations, Zoning.

The proposed amendment requested is to add a new § 2515.13, which would allow the enclosure of existing open arcades in buildings in commercial districts in the Central Employment Area for which an FAR credit has been granted.

For additional information, please contact the Secretary to the Zoning Commission at (202) 727-6311.
