Case No. 02-45

Dear Ms.Kess:

Advisory Neighborhood Commission 8C received an application for zoning on **January 18, 2003** for the Department of Mental Health's request and approval of the first stage of a two-stage Planned Unit Development ("PUD") and Zoning Map Amendment under Chapter 24 of the DC Zoning Regulation, 11 DCMR (July 1995, as amended). Also included in the application is an amendment to the Zoning Map to zone the entire site to SP-1.

This application is addressed to **ANC 8A**. The St. Elizabeth's East and West Campus are in the boundary of Advisory Neighborhood Commission 8C, affective early 2002. The residents, whose property abuts the St. Elizabeth's Campus have not been provided any information of the proposed development, zoning. The office of Zoning and Planning has been addressing the wrong Commission (8A) it should have been addressing ANC 8C.

On behalf of the community, we are requesting that you **postpone** the hearing for **March 6, 2003** to give the residents an opportunity to hear and discuss the change that will take place, and to zone the additional land.

We hope you will give this request great consideration.

Sincerely,

Mary J. Cuthbert
Commissioner 8C-03
