Re: Case No. 02-45

Dear Ms. Kress:

I am writing this letter to request that I be made a party in Zoning Case No.02-45. I would request a waiver of the fourteen (14) day time requirement in which to file notice of my intention to be a party in the case. My request is filed at this time because I relied on information provided by the Department of Mental Health only to learn that the information was misleading. Also, I was given notice of zoning request through Ms. Mary Cuthbert, ANC 8C, and because the notice to the Commission was not timely, my request is not timely.

The following is present to meet the requirements of the rules of the Zoning Commission:

Name: Absalom F. Jordan Jr.

Address 4335 4th Street, SE Apt. 2

Washington D.C. 20032

Request the Absalom Jordan appear as a party in Case No. 02-45

Absalom Jordan will appear as an opponent in the matter.

Counsel will not represent Absalom Jordan.

ZONING COMMISSION
District of Columbia
Case 02-45
Exhibit 32

ZONING COMMISSION
District of Columbia
CASE NO.02-45
EXHIBIT NO.32

At this time, no witnesses will appear for Absalom Jordan.

I, along with my wife, own property located at

1240 Savannah Street, S.E.

The property is located within approximately two hundred (200) feet of the St. Elizabeth's property.

The action will have an adverse impact upon my family and neighborhood. The proposed hospital will dramatically decrease the number of beds and facilities for the mentally ill. The prospect of forcing more individuals with mental problems out of the current facility and on to the streets will create an intolerable situation.

Because of the close proximity to the mental institution, which is not present for "other persons in the general public," my family would be more significantly affected.

Sincerely,

Absalom F. Jordan Jr.
