RE: Zoning Case No. 04-08A/02-45
St. Elizabeths Hospital
2nd State PUD – 54.59 acres

Dear Commissioners:

Advisory Neighborhood Commission 8C voted at a Special Executive Committee Meeting on Wednesday, October 13, 2004 to support the Application of the District of Columbia Department of Mental Health with the District of Columbia Zoning Commission (#04-08) seeking approval of a two-stage Planned Unit Development (PUD) and Zoning Map Amendment under Chapter 24 of the District of Columbia Zoning Regulations, 11 DCMR (July 1995, as amended).

In Order No. 02-45, dated May 1, 2003, effective November 28, 2004, the Zoning Commission approved the first stage of this PUD. On March 8, 2004, the Applicant submitted the second-stage application and set down for public hearing, which was held on September 30, 2004. At the hearing, ANC-8C presented written testimony to the District of Columbia Zoning Commission expressing our desire that this project be developed by DMH in partnership with the community. The ANC-8C committed to deliberate with DMH and prepare a written Memorandum of Understanding (MOU) which clearly outlines the agreed upon points, process for participation and benefits to the community on the development of the Saint Elizabeths New Hospital Project.

On October 12, 2004, ANC-8C met with DMH to negotiate the MOU. The final draft was presented at the Special Executive Committee Meeting where a quorum was present (three members) for the transaction of business. The Executive Committee voted unanimously to adopt the MOU and authorized the Chairperson to submit this letter and attached Memorandum of Understanding to the District of Columbia Zoning Commission for inclusion in the final order.

Sincerely,

Mary J. Cuthbert
Chairperson

This Memorandum of Understanding made this 13th day of October, 2004, for the benefit of the residents of Ward 8 and specifically the residents within Advisory Neighborhood Commission 8C, is entered into by and between Advisory Neighborhood Commission 8C, hereinafter referred to as ANC-8C, and the District of Columbia Department of Mental Health, hereinafter referred to as "DMH."

WHEREAS, DMH plans to build a state-of-the-art mental health facility to service the District's mental health needs; to be known as the Saint Elizabeths Hospital Building. The proposed site is located on the southeastern part of the Saint Elizabeths East Campus. It has access from Martin Luther King Jr. ("MLK") Avenue, SE and is also accessible from Alabama Avenue, SE.

The new 293-bed hospital will consist of a one- and two-story building that will provide mental health services for Non Secure and Secure mental health patients. The existing John Howard Forensic Pavilion ("JHP") will be demolished after construction and occupancy of the new building. Numerous features of JHP are obsolete and substandard in terms of care and rehabilitation of the mentally ill. The demolition will also create more open space, allow more light to reach the new building and alleviate the increasing maintenance costs for the severely deteriorated John Howard building.

The construction of this new mental health facility that incorporates the newest ideas and innovations in institutional design and mental health care is of crucial importance to the Saint Elizabeths patients, care givers, employees and the District as a whole. The site is located within Ward Eight (8) and ANC-8C.

WHEREAS, DMH has filed an application with the District of Columbia Zoning Commission (04-08) seeking approval of a two-stage Planned Unit Development (PUD) and Zoning Map Amendment under Chapter 24 of the District of Columbia Zoning Regulations, 11 DCMR (July 1995, as amended). In Order No. 02-45, dated May 1, 2003, effective November 28, 2003, the Zoning Commission approved the first stage of this PUD. On March 8, 2004, the applicant submitted the second-stage application and set down for public hearing, which was held on September 30, 2004.

WHEREAS, ANC-8C, presented written testimony to the District of Columbia Zoning Commission expressing their desire that this project be developed by DMH in

partnership with the community. The ANC-8C committed to deliberate with DMH and prepare a written Memorandum of Understanding (MOU) which clearly outlines the agreed upon points, process for participation and benefits to the community on the development of the Saint Elizabeths New Hospital Project. The executed MOU provides assurance to the community that the commitments made by the developer are fulfilled.

WHEREAS, DMH presented testimony to the District of Columbia Zoning Commission expressing their intent to ensure that the community experiences tangible benefits as a results of the development of the Saint Elizabeths New Hospital Project.

NOW, THEREFORE, for and in consideration of the mutual promises contained herein, the receipt of which are hereby acknowledged, the parties agree as follows:
