Subject: **Request for Zoning Map Amendment Specific to DPW Project "Alterations and Repairs for the Benning Road Solid Waste Transfer Facility"**

Dear Mr. Bastida:

As we discussed on the phone today, please find attached two mailing labels for each of the three properties located within 200 feet of the property line of the Benning Road Solid Waste Transfer Facility. These properties are:

- Potomac Electric Power Company;
- Kenilworth Park; and
- Kenilworth Maintenance Yard.

At least 40 days prior to the subject public hearing, we understand that the Zoning Commission will mail a copy of the notice to each of these property owners.

Please do not hesitate to contact either of the undersigned should you have any questions.
