Re: Gallaudet Master Campus Plan 2002-2012 (Case No. 03-02)

Dear Commissioners,

At its regularly scheduled and properly noticed meeting on April 10, 2003, ANC 6A voted 6-1-0 (with 5 Commissioners required for a quorum) to support the application of Gallaudet University, pursuant to 11 DCMR §§ 3104 and 210, for special exception approval for the review and approval of its Master Campus Plan 2002-2012 in the R-4 and C-M-1 Zone Districts for premises at Parcels 141/69, 129/70, 129/103, 129/112, and Square 3591, Lot 4.

ANC 6A asks that the following conditions be added to the special exception approval for the Master Campus Plan:

1) That Gallaudet University work with the community on issues related to construction traffic through ANC 6A and the Gallaudet Community Relations Council. In particular, the community would like to be consulted on the timing, volume, and route of construction vehicles that pass through ANC 6A to and from the Gallaudet campus.

2) That Gallaudet University work with the community to improve community access to on-campus recreational, athletic, and meeting facilities through ANC 6A and the Gallaudet Community Relations Council. At a meeting of the ANC's Economic Development and Zoning Committee on March 25, 2003, the ANC heard from community members who would like to have reasonable access to campus amenities.

ANC 6A Commissioners Cody Rice and Wanda Stevens-Harris are authorized to represent the ANC in this matter. If you have questions or need further information, please contact Commissioner Rice at 544-3734.

Respectfully yours,

Joseph Fengler
