RE: Gallaudet University Campus Plan 2002 to 2012
Case No. 03-02

Dear Members of the Commission:

The Gallaudet Community Relations Council met on September 11, 2002, to review the University's proposed campus plan for 2002 to 2012. Mr. John Baxter of Einhorn Yaffee Prescott Architects; Mr. Christopher Collins of Holland & Knight, and Mr. Dan Kirby, Director of Contracts and Construction at Gallaudet University, made a presentation to the council.

The presenters described the campus plan process, the existing conditions, and Gallaudet's vision for the future. After the presentation, there was an opportunity for questions from the council members to which the University provided satisfactory answers.

Upon motion duly made and seconded, the members of the council present voted unanimously to support the University's campus plan. Thank you for considering our position in this matter.

Sincerely,

George A. Boyd, Chair
Gallaudet Community Relations Council

cc: D. Kirby, Gallaudet University
